Good afternoon College of Alameda,

Your campus classified, academic, and administrative leadership would like to invite you to an open forum to discuss racial justice issues that are detrimentally affecting our African American community and discuss our own call to action for improving the experiences of our community on campus. It will be a chance to be in community, share experiences, and talk about what next steps we can take on our campus to infuse our work with anti-racist principles, and better support our students, staff, faculty, and administrators of color.

Hi there,

Don Miller is inviting you to a scheduled Zoom meeting.
