### About Peralta Safety and Security Services

The Peralta Community College District previously contracted police services with the [Alameda County Sheriff's Office](#), with that contract expiring on December 31, 2020. Beginning on January 1, 2021, we are using a new community-based safety and security model that includes a number of vendors, all locally-owned small and mid sized businesses. These vendors include:

- o [A1 Protective Services](#)
- o [Community Ready Corps \(CRC\)](#)
- o [Marina Security Services](#)
- o [Zulu Community Protection](#)

Peralta Safety and Security Services is responsible for protecting the life and property of students, employees, and visitors. Our mission is to preserve the peace, maintain order and enforce state, federal and local laws. Our goal is to provide a safe environment so that the educational process can be conducted in an orderly and uninterrupted manner. Community safety partners focus on working with students, faculty and staff in addressing the problems and/or concerns identified with safety and security.
