

## SLO Stipend(s) Form

for

### Part Time Faculty Academic Year 2013-2014

Each part time faculty will be compensated \$50, for implementing an already existing implementation plan for a section that they are currently teaching and for inserting Assessment findings in Taskstream. If they are teaching more than one section, they will be compensated \$ 50 per each section that they assess and document.

If the part time faculty is teaching a course that does not have an assessment plan in place, they are encouraged to work towards the development of an authentic assessment plan, implement and document the assessment plan and the assessment findings in Taskstream in collaboration with the department/cluster chair and other faculty. The compensation for designing, implementing and documenting the findings will be \$100 for section.

A printout of the Taskstream work completed need to be attached to this form and the department chair must sign off on this form. Both documents must be submitted to IEC Coordinator no later than June 9<sup>th</sup>, 2014 (one week after the grades are due).
