OUT-OF-DISTRICT OR OUT-OF-STATE COURSES: The Peralta District will consider courses with a minimum of 4 quarter units to satisfy an area that requires a minimum of 3 semester units and courses with a minimum of 1.5 quarter units to satisfy Area 4c (which requires a minimum of 1 semester unit). See a counselor for information about this process.

Graduation Evaluation

It is the student's responsibility to file a "Petition for an Associate Degree" by the deadline specified in the College Academic Calendar (available in the college catalog, class schedule or college's website). Students should file the petition once all course requirements are completed or final courses are in progress. Official transcript of any course work completed outside Peralta District must accompany the petition or be on file prior to requesting an evaluation. All out-of-district courses will be evaluated individually to determine if they satisfy COA's General Education requirements. Petitions are available at the Admissions and Records office and must be completed with a counselor. Counselors are available by appointment through the Counseling Department located on the first floor of Bldg A or 510-748-2209.
