Meet the Tutors

Johanna E Carranza
Tutor TESOL & Spanish

Major: Broadcasting & Journalism with minor in Spanish, MATESOL
Bio & Tutoring Experience: My background is in Radio & Television with an emphasis on Broadcast Reporting and a minor in Spanish. Since 2019 I have been teaching ESOL courses at COA. I like to create an environment where students can feel safe and share their culture while learning English.

Fun Fact: I love to dance, so I am always finding Zumba classes and dancing activities.

Miguel A. Carranza
Tutor in Math & Science

Major: Mechanical Engineering
Bio & Tutoring Experience: My background is in Radio & Television with an emphasis on Broadcast Reporting and a minor in Spanish. Since 2019 I have been teaching ESOL courses at COA. I like to create an environment where students can feel safe and share their culture while learning English.

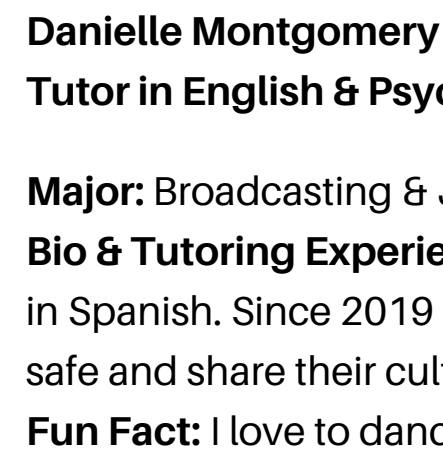

Fun Fact: I love to dance, so I am always finding Zumba classes and dancing activities.

Kayle Northstar
Tutor in Math & Science

Major: Mechanical Engineering
Bio & Tutoring Experience: My background is in Radio & Television with an emphasis on Broadcast Reporting and a minor in Spanish. Since 2019 I have been teaching ESOL courses at COA. I like to create an environment where students can feel safe and share their culture while learning English.

Fun Fact: I love climbing, so I am always finding an extreme Mountain to climb.

Danielle Montgomery
Tutor in English & Psychology

Major: Broadcasting & Journalism with minor in Spanish, MATESOL
Bio & Tutoring Experience: My background is in Radio & Television with an emphasis on Broadcast Journalism and a minor in Spanish. Since 2019 I have been teaching ESOL courses at COA. I like to create an environment where students can feel safe and share their culture while learning English.

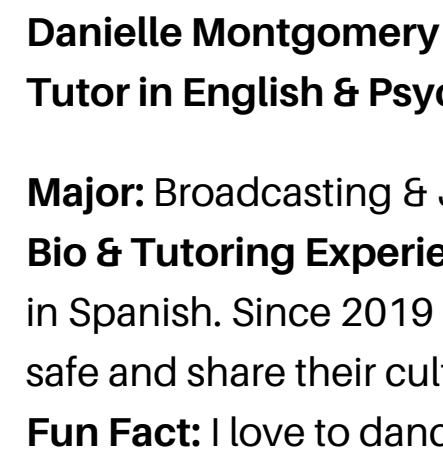

Fun Fact: I love to dance, so I am always finding Zumba classes and dancing activities.

Steph Curry
Tutor in English & Psychology

Major: Broadcasting & Journalism with minor in Spanish, MATESOL
