Purpose of Meeting: Classified Senate includes all members of the full-time Classified Staff and part-time permanent staff members. The College of Alameda Classified Senate represents the concerns and interests of the Classified Staff in participatory governance, collects, evaluates, and disseminates information for the classified staff, and promotes staff professionalism and development. The Senate is responsible for representing all classified in the participatory governance processes of the college and district (See: Education Code Section 70901.2, California Administrative Code Title 5 Section 51023.5). The Senate is responsible for appointing classified representatives to college and district participatory governance committees.
