LSLA with Dean William Ramos Ochoa H153
https://peralta-edu.zoom.us/j/84609372366

STEM with Dean Reza Majlesi H154
https://peralta-edu.zoom.us/j/5107909695

Workshops

2:00PM to 2:50PM H113
The Nuts and Bolts of Faculty Evaluation
Participants will learn about the process for PT & Tenured evaluations as well as have an opportunity for Q&A. This workshop is a district-wide collaboration across all 4 campuses.
Zoom: https://peralta-edu.zoom.us/my/vanson
Evaluations Coordinators:
Vanson Nguyen   Inga Marciulionis   Vanessa Phillip   Huizen Hsu
Outcomes: for participants to learn about the evaluations process whether the evaluator or evaluee.

2:00PM to 2:50PM   H108 Computer Lab
Curriculum Development Office Hours
with Trish Nelson and Vinh Phan
---desktops available or bring your laptop.
An open session with curriculum specialists, a follow-up to the morning session on Articulation.

2:00PM – 2:30PM Zoom Workshop with Jonathan Olkowski
Microsoft Teams Overview Demo
https://peralta-edu.zoom.us/j/89858900648
In this session, you will see a demo of how to use Microsoft Teams and be provided resources to learn the application more thoroughly.

2:30PM - 3:00PM Zoom Workshop with Daniel Park
Cyber Security – Single Sign-On Training
https://peralta-edu.zoom.us/j/83937159542
Our district will be moving to one sign-on for all Peralta applications. Come learn how the single-sign on will work.

3:00PM to 3:50PM Zoom Workshop
Collegial discussion hour on emerging issues of AI
{this title not generated by AI...}
with Robert J Brem
https://peralta-edu.zoom.us/j/85493097939
Topics on the table
Ethical & Effective ways to use it?
Effective ways to detect, verify, and respond to AI generated plagiarism?
Is there a need for an institutional policy?

3:00PM to 3:50PM   H109
XB12 requirements and ZTC QA
with Olga Fish
https://peralta-edu.zoom.us/j/83962244964
This workshop offers a focused exploration of XB12 requirements in the context of Zero Textbook Cost (ZTC) initiatives. Participants will also learn how to search for OER. This workshop aims to equip attendees with the knowledge and tools necessary to effectively implement ZTC in their classes.

By applying the knowledge acquired in this workshop, attendees can enhance the quality of education and reduce financial burdens on students through ZTC initiatives

3:00PM to 3:50PM   H108 Computer Lab
SLO Assessments Hands-On Hour
with Andrew Park ---desktops available or bring your laptop.
 https://peralta-edu.zoom.us/j/81989999753

As part of meeting ACCJC accreditation requirements, we continue to engage in institutional process of continual assessment and improvement. Our most important assessment activities start at course and service area levels and continue through program learning outcome and institutional (college-wide) learning outcome assessments. Drop by this "hand-on hour" for demonstration/assistance with the entry of SLO assessments and/or the looking up of SLO assessments, for use in comprehensive program review and/or annual program updates (APUs).

Attendees are able to:
(1) complete assessments of course-level SLOs and/or section aggregates of SLOs and/or assessments of PLOs, informed by course-level SLOs, and/or
(2) look up assessments that have been completed in their area, to inform the completion of comprehensive program review and/or annual program update (APU).

 3:00PM to 3:50PM
Yogalates' & Body Conditioning
with Danny Nguyen
Location: G-111 COA -in person event
Nothing is better than working out after a long day of workshops and meetings. Come and learn how to build your strength and flexibility with dance and fitness expert, Danny Nguyen. This class combines Yoga and Pilates mat work, and Body Conditioning which definitely helps strengthening the lower back, abdominal areas, arms, and legs which are problem for older people.
Learn how to correct body alignment, breaths. and postures.
Gain strength and flexibility. Provide the students with better health and stress reduction techniques.

October 20th and October 27th   Zoom Workshop
1:00 to 2:30PM
Google+Canvas: Easy Tips For Better Student Interactions
with Jessica Kuo
 https://solano-edu.zoom.us/j/89903208038
Are you frustrated with not being able to modify course schedule
and due dates from the convenience of your desktop calendar app?
Do you want to create Canvas assignments that allow you to easily
track student progress and provide timely feedback?
This session intends to cover how various Google services (Drive,
Calendar, Docs, Spreadsheet, Forms, Slides) can be integrated with
Canvas to help you and students stay organized for class, improve
instructor-student communication, and to supplement features of
Canvas.   contact: ckuo@peralta.edu

Thank you! Professional Development contact:
