

Guide To: Changing Your Microsoft Account Password

Step 1: Click here to access your account:

<https://myaccount.microsoft.com/>

You should see (If not you may need to log in):

Step 2: Select “Change Password”

The image shows a grid of account settings options. A large red arrow points from the top-left towards the 'Change Password' link in the 'Password' section.

<h3>Security info</h3> <p>Keep your verification methods and security info up to date.</p> UPDATE INFO >	<h3>Password</h3> <p>Make your password stronger, or change it if someone else knows it.</p> CHANGE PASSWORD >	<h3>Settings &</h3> <p>Personalize your account how your data i</p> VIEW SETTINGS AND
