About The PCCD Student Health Clinic

The Peralta Community College District (PCCD) Student Health Clinic is located at Laney College in the Student Center, 4th floor. Onsite and Telehealth services are available. The student health fee funds the clinic. All medical services are provided by Baywell Health (formerly West Oakland Health Council). Baywell has a long standing commitment of serving Oakland residents for more than 50 years.

Clinic Services

In-Person and Telehealth Services

On-site and telehealth primary care sick visits assessment by a Medical Provider
