e. Events (Discussion & Action)

- i. Vice President of Programs Johnson proposed the creation on an events planning committee. She was approached by Professor Carla Pagueuse of the Dental program to share that they are putting together the Black History Month events and are looking for performers who may be able to do spoken word, sing, or rap.
 1. Treasurer Outlaw asked for the location of the event. VP Johnson shared that Professor Pagueuse only shared the previously mentioned information and that she is waiting to learn more.
 2. Senator Beck asked if the Black History Month committee may be in search of volunteers and if the events are taking place in February. How can ASCOA help get the word out?
 3. Treasurer Outlaw then asked if the committee is open to collaborating with ASCOA.
- ii. VP Jonson also shared that the Basic Needs Center will be offering free snacks for students during finals week in the first floor of the F building.
- iii. President Payopay asked if VP Johnson's idea for an events committee would be a collaboration of all student leaders.
 1. VP Johnson agreed that the committee would include all ASCOA representatives plus ad hoc student volunteers.

2. President Payopay wanted to establish the events committee.
 - a. Senator Beck requested that the decision be postponed until after the holiday break so that all parties can accurately assess the responsibility of serving in an additional committee.
 - b. Vice President of Operations Gormley suggested to VP Johnson that they work together in developing a proposal on the structure of the committee and how it will work. VP Johnson agreed.
 - c. President Payopay requested that the topic of an events committee be added to next week's agenda.
- iv. President Payopay wanted to host a last-minute event next week and suggested that officers and senators simply be reimbursed for purchases made in contribution to the event.
 1. Director Rodriguez reminded President Payopay that this is not possible given that the spending was never on the agenda or approved by ASCOA. She also reminded him that in order for student leaders to be reimbursed they must first be vendors in the system.
- v. Senator Beck proposed potential ideas for student engagement including Food Truck Fridays given that there are 16 Fridays in the new semester where ASCOA could invite food trucks to campus who may be able to offer student discounted menus. She also proposed the idea of grams (candy grams, valentine's day grams, etc).
 1. VP Johnson mentioned that students do not want to pay out of pocket when they are already incurring other expenses as students. President Payopay agreed that having students pay for their meals would likely turn them off from the idea.
 2. Senator Beck would like to explore the possibility of subsidizing costs.
 - a. VP Johnson believes the concept would be more attractive if it were offered for free.
 3. Meeting guest Kandi suggested that ASCOA look into the possibility of working with a 501(C)3 for this project.
