### **NOTES:**

Student council clubs and positions remain topics of discussion with student body this month. Student body upset about closing book store/reduced access snacks. Student body seems to enjoy events in the pit. Struggle to get clubs off the ground – considering club rush with Anne/ASCOA support in April.

This is my report to the Associated Students of College of Alameda on my activities as an officer for the month of (March). If you have any questions please let me know.
